Interested by HCI, my work evolves at the intersection between design, creative coding and innovation. I love to experiment with new technologies, soft or hardware, and reconsider interactions with humans.

Currently looking for a 2-to-3 months internship from August to November 2019.

## EDUCATION

### Bachelor's degree interaction design

**L'École de Design Nantes Atlantique, France · 2018-2019**

Currently learning UX / UI design, ergonomics, sketching, graphic composition, web standards, graphic composition and creative coding

### First year design

**L'École de Design Nantes Atlantique, France · 2017-2018**

Learned the basics of design: sketching, speaking, conceptual thought, history of design

### General high school

**Marie-Louise Dissart, France · 2017**

Scientific baccalaureate with honors, Spanish european mention

## EXPERIENCES

### Workshop Processing Community Days

**Stereolux, France · 2019**

Managed two workshops about Processing and p5.js with 5 students from L'École de Design

### Workshop Quick & Dirty

**L'École de Design Nantes Atlantique, France · 2019**

Discovered the Design Sprint method to redesign a concept, with a first experience of prototyping and user tests

### Internship

**BeAcoustic, France · March, 2014**

Worked as a sales advisor in a music store

## SKILLS

### Languages

French native

English very good working knowledge

Spanish very good working knowledge

### Design

Persona, user journey, storyboarding, user experience research, wireframing, sketching, prototyping, 3D

### Software & programming mastered

Adobe CS ( Photoshop, Illustrator, InDesign, XD, Audition, Premiere Pro, After Effects), Sketch, Blender

HTML / CSS / JS / PHP

Processing, Arduino

Python (basics)

## OTHER INTERESTS

### Creative coding

Since september 2018, became interested in creative coding and interactive installations, experimenting mostly with Processing, Arduino & Javascript

### Guitar

Have practiced guitar for more than 10 years

### Sports

Have practiced Ju-jitsu for 5 years, snowboarding and skiing (including competition) since was 5 years old, and have tackled downhill longboarding
